**Education**

- **Ph.D. (1978) - University College of Swansea, UK, Organic Chemistry.**
- **M.Sc. (1971) - Manchester University, UK, Organic Chemistry.**
- **B.Sc. (1968) -Chemistry, Mosul University, Mosul, Iraq.**

**Jobs titles**

- **Professor , Faculty of Science , Garyounis University, June, 2007 , Benghazi , Libya**
- **Associate Professor, Faculty of Science, Garyounis University, since 1996, Benghazi, Libya**
- **Assistant Professor, College of Education, Mosul University, 1986-1996, Iraq**
- **Post-doctorate, Dundee university , UK, ,Feb.1980- Oct.1980**
- **Lecturer, College of Education, Mosul University, 1978-1986, Iraq.**
- **Assistant lecturer, College of Science, Mosul University, 1971-1975, Iraq.**
- **Demonstrator, college of Science, Mosul University, July1968-March1969, College of Medicine.**

**Work Experience**

- **Taught organic chemistry courses (theory and practical) for undergraduate students.**
- **Taught organic synthesis course for postgraduate students.**

**Computer Skills**

- **Microsoft Publisher and Window Works**
- **Internet**

**Main area of Interest**

- **Organic synthesis of biologically important compounds.**
- **Isolation and Identification of biologically active compounds from plants.**
- **I am also interested in Medicinal , Drug industry and Environmental Chemistry.**

## **Administration Experience**

- **Deputy chairman ,Chemistry department, 1992-1996, Mosul University, Iraq.**
- **Head of Instrumental Committee,1986-1990, Mosul University.**
- **Member of Examination Committee for undergraduate students,1988-1992 , Mosul University.**

## **Societies Memberships**

- **Royal Society of Chemistry , UK ,1976**
- **Iraqi Chemical Society , Iraq, 1971**
- **I am on the Advisory Editorial Board of the E-Journal of Chemistry**

## **Professional Profile**

- **Fairly organized and dedicated, with positive attitude.**
- **Able to handle multiple assignments and consistently meet deadlines.**
- **Have good written and personal communication skills**
- **Like to work in a challenging environment**

## **Scientific Activities**

- **Author or co-author of a total of eight textbooks, five of them published by Mosul University press over the period 1978 till 1990. The other three textbooks were published at Garyounis University Press during the period 1998 till 2006**
- **I have attended and participate in many chemical conferences**
  - 1- **The 1<sup>st</sup> Chemical Conference, Sebha University, 2006**
  - 2- **The 10<sup>th</sup> International African Chemical Conference, Benghazi, 2007**
  - 3- **The 14<sup>th</sup> Arab Chemical Conference, Tripoli, 2008**
  - 4- **The Science Conference, Gharian, 2009**
  - 5- **The 1<sup>st</sup> Pharmaceutical Conference, Al-Bedha, 2009**
- **I have participate in many examination committees for under and post graduate students, in Iraq and in Libya**
- **I have supervised many graduation projects**
- **I have published more than 30 research papers in local and international journals mainly Indian journals in the field of organic chemistry**
